

***Sassy Pants Makes Amends***

...is at the printer! I should have a release date soon.

*Put in your pre-order now!*

Preorders are mailed anywhere in the continental U.S.  
as soon as I receive inventory.

For those who are following Sassy Pants adventures, her and choices and consequences, you remember that we left her a very humble pig, soaking her nose and tush in the mud hole. In *Sassy Pants Makes Amends*, Old Clyde finds her alone and friendless. Full of remorse and very repentant, Sassy Pants wants to fix her broken friendships but no one trusts her! Why should they? However, Old Clyde knows a way to fix a friendship when you are the one who broke it! Follow Sassy Pants as she works to repair the friendships she broke!

Each book contains a computer code for downloading the audio track for *Sassy Pants* and *Sassy Pants Makes Amends*. Children can listen and “read along.” It is great for pre-readers, helps with word recognition and fluency in reading aloud. Written at approximately 3<sup>rd</sup> grade level. It is also a wonderful resource for road trips since you can burn a CD to use in your vehicle’s stereo!

**Parental Discussion Points:**
